Our Visitors Today

The 2018/19 season is Mangotsfield's 19th campaign as a Southern League club. This is their tenth season in the Evo-Stik League South - Division One South, previously finishing 9th in 2009/10, 3rd in 2010/11, (but losing the play-off semi-final, 1-3 to Frome Town), 14th in 2011/12, 13th in 2012/13, 11th in 2013/14, 10th in 2014/15, 14th in 2015/16, 8th in 2016/17, & 16th in 2017/18. The Board of Directors comprises, Mike Richardson as Chairman, & Pete Crowley as Director of Football Club Development.

There has been football in the village since 1888 and four years later, Mangotsfield FC became a founder member of the Bristol & District League (later to become the Western Football League in 1895) but the club folded after 10 years. From 1898 until the 1950s, Mangotsfield FC was disbanded and subsequently reformed on several occasions. In January 1951, the parent club dispensed with the Reserve X1 for financial reasons leaving many local players without a team to play for. These players decided to form a new club in the village and at the start of the 1951-52 season, the newly-established Mangotsfield United FC was entered into the Bristol & District League, Division VII. They achieved five successive promotions and gained entry to the Bristol & District Premier Combination in 1957. The club remained there until 1972-73, when it was accepted in to the Western League.

The Club became established in the Western League during the 1970's and despite being relegated to the first division in 1981-82, **"The Field"**, as they were affectionately known, bounced straight back the following season and under the guidance of the charismatic Ralph Miller, who as Chairman, undertook the task of improving the ground and its facilities, became a force in the Premier, mainly featuring in the leading positions.

In 1991, the club, managed by Harold Jarman and assisted by Terry Rowles, achieved regional glory by taking the (then) Great Mills League Premier Division title, ahead of runners-up Torrington. Disappointingly, they were denied promotion to the Southern League as their ground failed to meet the grading requirements and there followed several

lean seasons as the team disbanded. Under newly-elected Chairman Richard Davis, however, off the pitch, things were improving.

Terry Rowles returned to manage the club himself in 1995 and kept them in the spotlight by consistently finishing in the top three/four in the Great Mills/Screwfix League and an appearance in the FA Vase semi-final (losing to Clitheroe), but their ambitions of promotion and Southern League football were always thwarted by the continual success of Taunton and Tiverton Town. It was considered very important to establish a sound working base, improve ground facilities and secure a long-term tenure on their Cossham Street ground.

In earlier years, the Roger Pullin / Richard Davis partnership had seen many improvements take place, with the installation of Conference-style floodlights and at the end of the 2003/04 season, the Cossham Street end of the ground was covered, together with new toilet blocks and social club improvements. Ex player Andy Black returned to the club as Manager in 1999 and guided the club to promotion to the Dr. Martens Southern League and three successful campaigns. The 2003/04 campaign did not go too well and just before Christmas, Black was replaced by Martyn Grimshaw. Towards the end of the campaign, Nigel Webb came in as his Assistant, but the club could only finish in 13th place, which was not high enough for the planned re-structuring of the Pyramid.

The Management duo made promotion their priority in 2004/05 and the club headed the table for most of the campaign, eventually taking the Division One West title with a 21 match unbeaten run. After 28 seasons at Western League level, the club had spent just five campaigns at Southern League level before reaching the Premier Division. The club have looked for financial stability in recent years, with the need to reach out to the community and attract a broader fan-base and local sponsorship. There has been some success in that area with the Cossham Street ground currently named **The GJC Commercials Ltd Stadium.**

Our Visitors Today

Sometimes now referred to as “**The Mangos**”, the 2018/19 campaign, began with the first complete season with **Ollie Price** at the helm together with **Dean Pendry** as Head Coach. They were in a caretaker capacity in the latter half of the 2017/18 campaign. Their immediate aim is to return to the Southern Football League, Premier Division, where they spent four seasons from 2005-2009, finishing 10th, 9th, 14th and 22nd.

NEIL SIMONS – ASSISTANT MANAGER

Has joined Mangotsfield Utd as Assistant Manager in December 2018. He was successful as Manager at Chipping Sodbury Town and has a good knowledge of Western League and all local football. He is professional in his approach and has a good understanding of the game.

DEAN PENDRY – HEAD COACH (DOB: 2-4-81)

37 year old Dean originally joined the club in July 2000, having been released from YTS level at Bristol Rovers. He proved to be a more than useful acquisition for the club during our first five seasons in the Southern League, playing on the right side of midfield and threatening defences with his darting runs. Prior to arriving at Cossham Street, Dean made a number of appearances for Screwfix League side, Bitton. Suffered a badly broken leg during May'05 and missed the whole of the 2005/06 season. He then spent a season or two with Paulton Rovers and re-signed for The Field in early October 2009. He has linked up with Ollie Price to try and bring the good times back to Cossham Street.

JOHN HOUSE – MATCHDAY ASSISTANT / KIT

John is a valuable member of the management team, and a true clubman. Helping on pitch preparation, kit, match-balls etc. He has been at the club for over eighteen years, and in earlier times, was a big help to Pat McKeown with the Reserves. He played Western league football in his playing days and has appeared for Cadbury Heath & Oldland, amongst others.

TERRY ROSE – MATCHDAY ASSISTANT/CO-ORDINATOR (DOB:17/9/1945)

Now a sprightly 73, Terry was a huge Bristol City fan, watching them in their brief flirtation with the old First Division, and a regular season-ticket holder. When they fell away from those dizzy heights, he started watching Mangotsfield United, and when he retired from HGV driving in 2011, he started to help the club out on match days. His help has been invaluable and you may recall that his grandson Nathan was briefly with the club two season's ago.

Slimbridge 2-4 Moneyfields

Saturday 6th April 2019

Slimbridge robbed of a point by two controversial goals against promotion chasing Moneyfields.

Slimbridge started the game brightly Will Hawes delivering a pin point cross into the box where visiting keeper Steven Mowthorpe took three attempts to gather the ball under pressure from Mark Magee and Dan King.

A couple of minutes later Stephen Hutchings hit the top of the cross bar after getting his head to a long speculative cross. Lewis Adams was then called into action to tip Robert Evans long range shot round the post for a corner which Adams then claimed.

Hawes provided a great through ball to Magee whose shot was somehow deflected wide by Mowthorpe and out for a Swans corner with Ioan Richards heading the corner just wide.

Moneyfields controversially took the lead on 26 minutes when a through ball found Hutchings five yards out, but he and another visiting player both appeared to be at least yard off side. With only Adams to beat Hutchings kept his cool and slotted home much to the frustration of the home team who protested vigorously to both the referee and his assistant.

Eight minutes later the Swans found themselves two goals behind, Lloyd Rowlatt was allowed to run through the middle of the Slimbridge defence and out to the right of the box delivering a cross to Nathan Paxton who fired home from close range.

Slimbridge failed to give up and pulled a goal back with two minutes of the first half remaining. Kings run down the right allowed him space to fire home from a narrow angle much to the relief of the home support.

Match Reports

The second half saw more action for King, latching onto Magee's chip over the visiting defence only for Mowthorpe to block his shot away for a corner.

Rowlatt pulled off a late clearance under pressure from Richards after Joe Noakes headed past Mowthorpe in the visiting goal as the Swans piled on the pressure looking for an equaliser.

Adams did well to block Evans shot and the follow up was diverted wide for a corner which Adams punched clear. A long range shot posed Adams some problems as it squirmed up out of his arms and requiring a second effort to push the ball over the bar to safety.

With the Swans having good spells of play they finally got the second goal that they deserved on 71 minutes through King, his challenge on Brett Proate won him the ball and with space down the right to cut in and fired home to the delight of the home side.

With only seven minutes remaining Adams pulled off a point blank save from Lewis Fennemore after the defence failed to clear. However a hammer blow came with four minutes remaining, substitute Joseph Briggs was given space to shoot from 15 yards out past Adams to restore the visitors lead.

Deep into stoppage time the Swans conceded a free kick 25 yards out, which Fennemore took quickly hitting to back of the net while Adams was still marshalling his wall and before the referee had blown his whistle for the kick to be taken. Despite protests from the home camp the goal was allowed to stand.

Match Reports

The Swans continue a busy week at home welcoming Bristol City to Thornhill Park on Wednesday night (10th) in the GFA Senior cup semi-final followed by a crunch game at home to Mangotsfield United on Saturday in a relegation six pointer.
