Roman Glass St George Club History

The club Roman Glass St George is the result of an amalgamation between Bristol St George and Roman Glass. Bristol St George was formed in 1882 and is the oldest club in Bristol. They were founder members of the GFA in 1886 and won the GFA Senior Challenge Cup on two occasions 1894 and 1895 beating Eastville Rovers 3-1 on the first occasion.

The club also entered the FA Cup in 1891 and the inaugural FA Amateur Cup in 1894. The current ground at Bell Hill was opened with a match between a Bristol & District XI and the English champions Aston Villa in 1894. In 1897 the club turned professional and spent two seasons in the Birmingham & District League. The club reverted to amateur status in 1901 and continued that way until joining the Western League in 1928. In 1935 after struggling financially they dropped out and joined the Bristol & District League once again. They won the first division only once in 1949/50 but were always a leading team until they became founder members of the Bristol Premier Combination in 1957. St George played in this league winning it five seasons in succession from 1963/64 season to 1967/68 until they joined the Gloucestershire County League on its formation in 1968.

The Sixties was the Golden era for the club as in addition to winning these league titles they also managed to win the Gloucestershire Senior Amateur Cup, five times which included four successive seasons. Success was also found in the FA Amateur Cup when they regularly took on the top amateur clubs in the Country such as Hendon, Dagenham, Hayes and Leytonstone in front of crowds numbering thousands. St George won the County league in 1969/70 and was runners-up twice before a gradual decline in fortunes until in 1987 the club were expelled from the league due to sub standard facilities. A return to the Premier Combination saw a brief improvement resulting in winning the Premier Division in 1992/93. With no promotion gained the club nosedived and were in danger of folding when Roman Glass stepped in.

Roman Glass originated as a street team called Wyndham Wanderers in 1960 and played in the Bristol Church of England League and then joined the Bristol & District League in 1974. The club enjoyed moderate success gradually climbing the leagues and in 1980 changed its name to Roman Glass.

The club began to decline until in 1990 Roger Hudd took over as manager and steered them to win the Division 4 title the club continued to improve gaining successive promotions until the amalgamation in 1995.

Roman Glass St George in the Premier Combination immediately gained success, winning promotion to the Premier Division that season and then winning that league in 1998/99 season to earn promotion to the County League. The club won the County league in 2001/02 and then season 2006/07 which resulted in promotion to the Toolstation (Western) League, a league the club last played in, in 1935.

Following Promotion to step 5 of the pyramid Roman glass st George FC had 2 Seasons in the Toolstation Western league Premier division and now due to the restructure, compete in the Hellenic Premier division..

Slimbridge Club History

In The Beginning

The Gloucestershire village of Slimbridge is world renowned for its Bird Sanctuary, but much hard work has gone into making Slimbridge better known in football circles.

The Club's history can be traced back to the 1899/1900 season, when the team were playing in local football at various venues in and around the village. A gap in the records suggests there may have been a couple of seasons when no games were played, and thus, officially, the Club's centenary was celebrated in 2002/03.

For the next forty-odd years the Club were predominantly members of the Stroud and District League with varying degrees of success and failure, except for a period between 1960 and 1968 when they were in the Gloucester Northern Senior League.

It was not until 1951 that the current ground at Wisloe Road (Now renamed as Thornhill Park) became the club's home, and it subsequently became the legal property of the club after former player, and ex-Chairman of the club, Evi Thornhill, bequeathed the land to the Club in his Will, with the Club becoming legal owners in 1960. It was to prove an incredibly valuable treasure in future years.

Point Of Collapse

By 1988, the club had fallen on hard times, but fortunately, a handful of committee members led by Gordon King and Gordon Tudor kept the Club afloat. The following season local businessman Paul Chappell arrived. The Club was stabilised and construction of new changing facilities, to County League standard, were completed. Paul Chappell was to remain a vital part of the club until his retirement from his duties in 2020.

Start Of A New Reign

As playing standards improved, 2000 saw the completion of the building of a long awaited Social Club in an area of the ground that in it's old life had housed a cowshed. John Mack, a successful local entrepreneur, joined the club as Chairman, and he remains a committed supporter of the club to this day as Club President. In the summer of 2001, Doug Gray was appointed Manager, and the club began a period of upward momentum.

The team achieved a Runners-up spot in their first season in the Gloucester County League, and were accepted into the Hellenic League. Hellenic Division One West was won by an eleven point margin in 2002/03. A creditable fourth place finish was achieved in the Hellenic Premier League in 2003/04. In a marvellous season the club also claimed the Hellenic 'Norman Matthews' Floodlit Cup and the G.F.A. Challenge Trophy.

Arrival Of Floodlights

Floodlights arrived at the ground in the summer of 2003. A pre-season visit from Conference side Forest Green Rovers on 22nd July, produced a then ground record attendance of 427 to witness the inaugural game under lights at Wisloe Road.

A few weeks later on Sunday 24th August, that ground attendance record was beaten at a Bank Holiday Hellenic Premier Division fixture that was part of the 2003/04 annual 'Ground Hop' weekend. Local rivals Shortwood United provided the opposition in front of a crowd of 525.

Season 2004/05 again saw a fourth place finish in the Hellenic Premier. The club also made their first appearance in the F.A. Vase, which resulted in a run to the third round proper before a 2-1 extra time defeat at Western League side Backwell United.

In February 2005, Gray stood down after nearly four seasons at the helm of the club.

The club started season 2005/06 under newly appointed Manager Doug Foxwell. A first entry into the F.A. Cup saw a visit from Wessex League side Wimborne Town. A 1-0 defeat did not dampen the sense of occasion on the first day of the season. A second successful run in the F.A. Vase came to an end in the Third Round Proper, with a 3-1 defeat at South Midland Premier, Welwyn Garden City.

After a record-breaking 64 game season, the team achieved a fifth place finish in the Hellenic Premier, and the club also won the Hellenic 'Norman Matthews' Floodlit Cup and the GFA Challenge Trophy, both for the second time in three seasons.

Reserves Make Headway

The Club's Reserve side were also making progress - After two successive third place finishes in the Stroud and District League First Division, season 2005/06 saw them finally win the title and with it, promotion to the Gloucester Northern Senior League Division Two. This was the same League title that the first team won in season 1998/99 which proved the springboard for five successive first team promotions.

Rise To New Heights

Season 2006/07 proved to be the most successful in the Club's history to date, with both the First Team and Reserve side recording League and Cup doubles, with the added bonus of record-breaking F.A.Cup and Vase runs for the senior side.

In the F.A. Cup, a five match run from the Extra-Preliminary Round finished at Merthyr Tydfil in the Third Qualifying Round. Along the way there were memorable wins against two other

Southern Premier sides, 2-1 at Yate Town and 3-1 at home to Chippenham Town.

It was six matches in the F.A. Vase before defeat was tasted, the run ending in the Fifth Round Proper at home to the eventual winners, Truro City.

In the Hellenic Premier Division, bad weather, which led to a record number of postponements during the subsequently extended season, led to half a seasons fixtures being played in the final two months. A tremendous effort saw the Club bring the Championship Shield to Wisloe Road, the winning margin being three points over second placed North Leigh.

There was a rousing performance in the G.F.A. Trophy Final against Almondsbury Town. A 3-1 victory not only retained the Trophy, but recorded a third success in four seasons in that competition.

The Reserve side had an early success in the Gloucester Northern Senior League Cup with a 2-0 win against Division One Tuffley Rovers. This saw confidence rise and they went on to break a Gloucestershire Northern Senior League record in winning Division Two with a Played 30, Won 30 record.

Promotion To The Southern League

As a result of winning the league after an inspiring final day victory, and the upgrade to the ground facilities at Wisloe Road, the club were promoted into the BGB Southern League Division One Midlands for Season 2007/08, however, there was a twist to come in the tale.

Return To A New Beginning

On July 10th 2007 the club decided not to take up the promotion, and effectively, the first team took over the position in the pyramid occupied by the reserve team, which was disbanded.

The First Team reverted back to the Gloucester Northern Senior League. This meant a severe upheaval in the club both on and off the field with the manager Doug Foxwell and several senior players moving on the pastures new.

However, a loyal band of players stayed on including James Cole, who over as player manager with assistance from long term club captain Leon Sterling to begin the next stage of the club's journey.

Climb Back Up The Ladder

Four promotions followed as the club regained their previous status. James Cole handed over to Leon Sterling, who moved into the Manager's role, with Leon joined as Assistant Manager by long time Slimbridge stalwart Freddy Ward. The two guided the side to three top six finishes in their first three seasons back in the Hellenic Premier.

Switching Leagues

After the completion of the 2012-13 season, the Swans applied for a transfer to the Toolstation Western Premier League in an effort to reduce prohibitive travelling costs, a move which was approved by the FA in the Summer of 2013.

Return To The Southern League

After two seasons in the Toolstation Western Premier League, a third place finish at the end of the 2014/15 season gave the Swans a second opportunity to return to the Southern Football League. This time the club accepted the offer and took their place in the South and West Division, finishing a credible 18th in their first season, the highest level the club had ever achieved at that time in their history. Prior to the commencement of that campaign, John Mack had stepped back from Chairman duties and his position was taken up by Barry Gay.

Welcome To Thornhill Park

At the start of the 2016-17 season, and prior to our pre-season friendly fixture with neighbours Forest Green Rovers, the football ground in Wisloe Road was formally renamed to Thornhill Park in recognition of the marvellous gift we received from Evil Thornhill 46 years earlier.

Evi's son, Tony and his late wife Margaret were on hand to cut the ceremonial ribbon, and Tony made a short heartfelt speech about how much the renaming meant to him and the entire Thornhill family, and how honoured they were that the football club had recognised their father in this way.

Onwards and Upwards

A difficult two seasons of struggle at a higher level saw the eventual departure of Leon Sterling as Manager, with Freddy Ward stepping up to the plate, assisted by local footballing legend Lee Driver-Dickerson. With Freddy then stepping aside to concentrate on his last few years of playing having steadied the Swans' ship, 'Drive' took over the reins as Manager of the first team.

The Club's previous ground attendance record was smashed on 4th February 2017, when 898 fans saw the side suffer a 3-0 defeat to Hereford FC, who were working their way back up the league pyramid following their reformation after the collapse of Hereford United

Prior to the Covid suspension of football in March 2020, the Under 18s and the Reserves were top of their respective leagues, while the first team were sitting in 12th place in the Southern League Division One South, the highest placing in the history of the football club. Although the FA has made the season's results null and void, they have been officially added to club statistics and all appearances and goals will stand in our records as

a permanent tribute to all who represented the club in a fantastic season in the strangest of all campaigns.

The 2021-22 Season saw the departure of Driver-Dickerson, who decided to accept an opportunity to move to Evesham United, and the assistant team of former Swans' legend Tom Speers and Adam Coyle took over the reins, assisted by Tom Deakin and Tom Hitchens.

Return to the Hellenic League

The 2022-23 season was a very difficult one for the side resulting in the departure of Speers in February 2023 with the side having achieved only four victories at that point. Adam Coyle and Tom Deakin moved into the Management role, but the season resulted in relegation and a return to the Hellenic League for the 2023-24 Season.

On a brighter note, the Under 18s side had a historic Double winning season, winning the S.Tuier and Son Cup, beating Bishops Cleeve at Evesham United's ground, before clinching the Cheltenham Floodlit league title and the double on a memorable night a few days later at Tuffley Rovers.
