

Western League Premier Division

Saturday 18 October 2014

Bradford Town 1-1 Slimbridge AFC

Although the point gained moves the Swans up to third place in the Toolstation Western Premier League, Slimbridge came away thinking that it was a game they could have put away well before Bradford Town's late equaliser. Leading from a sixth minute Jamie Martin effort, it took a deflected shot four minutes from Jamie Morris time to nick a point for the home side, with Slimbridge finishing the game with ten men after Jordan Turner's late dismissal.
