

Western League Premier Division

Saturday 20 September 2014

Bristol Manor Farm 5-1 Slimbridge AFC

Manor Farm demonstrated why they were pre-season favourites for the Toolstation Premier League with a ruthless demolition of the Swans at The Creek this afternoon. Although Slimbridge could point to the continued absence of Jack Twyman, Sean Lawson and Jamie Hammond due to injuries, a suicidal first five minutes saw the Visitors ship two goals, and there was never going to be any way back after that.
