

FA Cup Preliminary Round

Saturday 30 August 2014

Slimbridge 0-1 Chalfont St. Peter

After the heroics at Thatcham, it was a case of after the FA Cup Lord Mayor's show for the Swans, as they slipped to a disappointing single goal defeat to their visitors from the Southern League Central Division. A strike midway through the first half from Chalfont Skipper Alan Hedley took Chalfont through to a home tie against Hungerford Town in the next round.
