

Western League Premier Division

Saturday 10 January 2015

Longwell Green Sports 0-1 Slimbridge AFC

An Adam Mace first half strike proved enough to secure the points for the Swans on a very heavy pitch at Shellards Lane this afternoon. The win lifts the Swans to third place in the Toolstation Western Premier League ahead of next week's clash with Leaders Bristol Manor Farm at Wisloe Road. The home side ended the game with ten men after the late dismissal of Andy Summers, a decision which provoked some unsavoury scenes as Referee Kevin Collins left the pitch at the end of the game.
