

Western League Premier Division

Saturday 11 April 2015

Slimbridge 0-0 Melksham Town

A blustery afternoon at Wisloe produced an entertaining game which the home side may have nicked right at the death after getting the better of 90 minutes against the runaway Western Premier League leaders. The result leaves the Swans still in sixth place, although with critical games against both Buckland Athletic and Willand Rovers to come, the final table is still far from decided.
