

Western League Premier Division

Saturday 31 January 2015

Shepton Mallet 0-0 Slimbridge AFC

The sides in third and fifth place in the Toolstation Western League Premier Division shared the spoils in a highly entertaining game between two sides who tried to play good football on a very heavy surface. This was the Swans' first 0-0 of the season, completing a January when they didn't concede a goal, in a game that also ended Shepton Mallet's record of scoring in 75 League games in a row.
