

Western League Premier Division

Saturday 27 December 2014

Slimbridge 2-0 Winterbourne United

The Swans ended 2014 with a comfortable victory against their near-neighbours, a result which sees them end the year in fifth place in the Toolstation Western Premier League, having come close already to matching last season's points total, a measure of the progress that Leon Sterling and Freddy Ward have achieved with the team. First half goals from Paul Fahy and Dean Turner did the damage, and the outcome should have been a lot greater had shooting boots not been left under the Christmas table.
